Statement of director's responsibilities

The director is responsible for preparing the Report of the director and the financial statements in accordance with applicable law and regulations.

Bermuda law requires the director to prepare financial statements for each financial year. Under the law they have elected to prepare the financial statements in accordance with UK GAAP. In preparing those statements, the director is required to:

Report from the Independent auditors to the Members of Premier International Ltd

Report of the Independent Auditors to the Members of Premier International Ltd

We have audited the consolidated financial statements for Premier International Ltd for the year ended 31 December 2012. The financial reporting framework that has been applied in their preparation is applicable law and the financial reporting standard for smaller entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to smaller entities).

This report is made solely to the Company's members, as a body, in accordance with chapter 3 of the part 16 of the Companies Act 2006. Our Audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in a report of the Auditors and for no other purposes. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report or for the opinions formed.

Scope of the audit of the financial statements.

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error.

This includes an assessment of, whether the accounting policies are appropriate to the company's circumstances and have been constantly applied and adequately disclosed; the reasonableness of significant accounting estimates made by the director; and overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the financial statements to identify any material inconsistencies with audited financial statements. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Basis for qualified opinion on financial statements

Preparing the financial statements on the going concern basis is appropriate as there are certain concerns over the company's ability to continue as a going concern. However, the directors have reduced the operating costs considerably and has future orders in the Middle East and Africa that will ensure future profitability.

The Company is also in the process of appointing new brokers and transfer agents in Bermuda to ensure future compliance in Bermuda.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements were prepared, are consistent with the financial statements.
