Explanatory Notes to the Notice of Annual General Meeting

Non-routine business

The following item of non-routine business is being dealt with as an ordinary resolution at the Annual General Meeting:

Resolution 8

This Resolution relates to the renewal of the authority for the Company to allot its shares. If Resolution 8 is passed, the new authority would permit the allotment of relevant securities by the Company with an aggregate nominal value of up to US\$25.1 million representing 451,216,906 ordinary shares of US\$55 each and representing approximately 33% of the total ordinary share capital of the Company in issue as at 12 March 2026, the latest practicable date before the publication of this document. Included within the authority is the Company's ability to issue ordinary shares for cash consideration (other than by way of a Rights Issue or pursuant to the Company's share-based long-term incentive plans), limited to a total of some 67,682,536 ordinary shares, representing approximately 5% of the total ordinary share capital of the Company in issue as at 12 March 2026. The proposed authority will expire after the next Annual General Meeting or on 6 August 2027, whichever is earlier. The Company intends to seek renewal of its authority to allot shares at future Annual General Meetings.

At each Annual General Meeting, the Company will seek shareholders' approval to issue new shares on a non-pre-emptive basis for up to 33% of the Company's issued share capital, of which new shares representing up to 5% of the Company's issued share capital can be issued for cash consideration.

Save for the allotment of ordinary shares under the Company's share-based long-term incentive plans, the Directors have no present intention to exercise this authority. No pre-emptive rights exist under Bermuda law in relation to issues of new shares by the Company.

In the opinion of the Board, the proposal set out in Resolution 8 is in the best interests of shareholders as a whole, and the Board recommends that shareholders vote in favour of the Resolution.

Notes:

A shareholder entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote on their behalf; a proxy need not also be a shareholder of the Company. A form of proxy is enclosed for use by registered shareholders. Completion and return of the form of proxy will not preclude a shareholder from attending and voting in person. Unless otherwise indicated on the form of proxy, the proxy will vote as they think fit or, at their discretion, withhold from voting.

Investors holding their shares as Depository Interests within the CREST system in the United Kingdom who are entitled to vote should complete the form of direction (Form) provided to them and return it to MUFG Corporate Markets according to the instructions given in the Form. Any such investor who wishes to attend the Annual General Meeting (Meeting) should request a Letter of Representation by contacting the Depository at MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds LS1 4DL, United Kingdom or by emailing Nominee.Enquiries@cm.mpms.mufg.com not later than 8.00 a.m. (UK time) on 1 May 2026.

The Depository will appoint the Chairman of the Meeting as its proxy to cast its votes. The Chairman of the Meeting may also vote or abstain from voting as they think fit on any other business (including amendments to resolutions) which may properly come before the Meeting. The 'Vote Withheld' option is provided to enable you to abstain from voting on the resolutions. However, it should be noted that a 'Vote Withheld' is not a vote in law and will not be counted in the calculation of the proportion of the votes 'For' and 'Against' a resolution.

Investors holding their shares through a nominee within The Central Depository (Pte) Limited system in Singapore, or through any other agent, should contact their nominee, depository agent, or professional adviser concerning the procedures required to enable them to be represented and to vote at the Meeting.
